

BSB50820 Diploma of Project Management (Release 1)

CRICOS Code: 104050C

Introduction

This qualification reflects the role of individuals who apply project management skills and knowledge. Individuals may manage projects in a variety of contexts, across a number of industry sectors. Individuals have project leadership and management roles and are responsible for achieving project objectives.

This course will give individuals the confidence to manage a major project from end to end. With units on planning, budgeting, reporting and scope, individuals will become confident in assessing risk, presenting your vision to stakeholders and leading team effectiveness.

Qualification Rules

As part of the Australian Qualifications Framework, this program is nationally recognised. Graduates will be awarded the BSB50820 Diploma of Project Management. A statement of attainment will be awarded to those who do not complete all units.

Participants must complete twelve (12) units of competency in accordance with the guidelines published in the BSB Business Services Training Package Qualification Rules which requires:

- **8 core units** and **4 elective units**
- Total: **12 units**
